

We are really looking forward to having you as our guest!

We want you to have a good experience and stay with us and have therefore asked that you and your colleagues receive this letter from us in advance.

Brief presentation of the conference hotel you will be visiting

Aronsborg's conference hotel is located in a small town about 45 km northwest of Stockholm. The hotel was built in 1989, for meetings and events. This is very clearly visible in the design and logistics of the facility. We are popularly known as the "chocolate hotel" and it is based on our fantastic chocolate that we make ourselves on site in the form of various pralines, bran, chocolate bread and tea. All this, as well as honey from our own apiary, can of course be bought home.

We have a main building where reception and conference rooms are located, together with our restaurant, bakery, bar and relaxation area with pool and sauna. Our hotel rooms are located in two separate buildings near the main building.

We want you to feel at home with us

At the reception, we sell the absolute essentials if you forgot to pack something with you. The hotel rooms have an iron, ironing board and hair dryer.

We have staff on site around the clock for our conference guests, even at night. So should something unexpected happen during your stay with us, never hesitate to contact our staff. The hotel has an automatic direct fire alarm and a defibrillator is available at the reception. Our staff receives training in fire and CPR every year so that you are in safe hands.

Member benefits

Aronsborgs Konferenshotell is part of Strawberry (formerly Nordic Choice Hotels). This means that you as a club member can actually collect points even when you are at a conference with us, great! Not a member yet? Let us know on site and we will help you.

Do you have any allergies or dietary restrictions that we should take into account?

Do not forget to notify them in advance. We work with pre-booked menus for our groups. Once in place, we will have prepared a customized diet according to what we received from your meeting booker. The only thing we need help from you is to make yourself heard on site to our staff and we will help you.

Common questions we get:

When is it possible to check in to the hotel rooms?

Our rooms are ready for check-in in the afternoon, from 3pm normally but we adapt this to when it suits your program for the conference.

What time is the breakfast served?

Weekdays from 6.30-9am Weekends from 7-10am

When do you have to check out at the latest?

Latest 10am

When is the relax open?

5pm-10pm in the evening and 7am-9am in the morning.

The sauna is always warm during the evening. If you wish to bathe in the sauna in the morning, please let the reception know the night before. Don't forget to bring swimwear if you want to swim!

Is there a gym?

Yes, we have a simpler training room. There we have an exercise bike, cross trainer, treadmill, free weights and a cable cross.

Is there parking available?

We offer plenty of parking spaces and we have 8 charging stations for electric cars.

Please visit our website for more information www.aronsborg.se

We hereby wish you and your colleagues a warm welcome to Aronsborg's conference hotel!
